

MSHA INSTRUCTOR CERTIFICATION CLASSES

MSHA Instructor Certification Classes are available to interested persons, **free-of-charge**. The three-day classes are scheduled on an as-needed basis when the number of requests supports a class of at least 10 attendees. The next class is scheduled for **April 6-8, 2004** in **Birmingham, Alabama**. This program will prepare experienced mine employees to conduct safety training mandated by the Federal Mine Safety and Health Act. Upon completion of the program, each experienced miner participant will be certified by MSHA as an approved instructor to conduct mandated miner safety training.

*For additional information, or to enroll in this program, please contact Connie Carmichael;
